BRILLIANT SHORT BOOKS TO INFORM AND INSPIRE

RICHARD BRANSON

Learn the Secrets of a Global Icon

Throughout my life I have always strived for success – as a businessman, in my adventures, as an author and a proud father and husband. I want to share the many truths I've learned along the road to success which have helped me to be the best I can. They include:

- Have faith in yourself
- Believe that anything can be done
- Live life to the full
- Never give up

Learn these and other simple truths, and I hope you will be inspired to get the most out of your life and to achieve your goals. People will always try to talk you out of ideas and say: 'It can't be done,' but if you have faith in yourself you'll find you can achieve almost anything.
